

Service Level Agreements

DMS Target Turn-Around Times

At DMS we are striving to reduce and enhance this process, through automation, communication and a dedicated team

Brokers will be emailed status updates all along the way, Private Mortgages are time sensitive and we look to fund as soon as possible.

Submit Through Your Application Software

- Be sure to provide full loan notes
- Include **your broker fee** in the submission
- Gather submission documents immediately
- Pull a property title search
- Send an insurance binder request to the borrower upon instruction (DMS to provide)
